Ballad of the absent mare

— She comes to his hand but she's not really tame

— It's time for the wind.

— There's no space but there's left & right, and there's no time, but there's day & night

— And they turn as one and they head to the plain

No need for the wind, no need for the rain

And she'll be a true love of mine, tell her to find me a cuss pars (my sage rosemary & thyme and she'll be a true love of mine
